

"The presentations were stellar and all standards based. It was like two months of math in 30 minutes."

- Paul Wojcik  
6th Grade Math Teacher

# Engaging Students, Supporting Teachers

# LEARNING LABS

**LEARNING LABS ALLOW STUDENTS TO LEARN OUTSIDE THE CLASSROOM BY APPLYING FLORIDA STANDARDS CURRICULUM IN THE REAL WORLD**

- |                       |   |
|-----------------------|---|
| <b>MATH</b>           | Measuring, ratios, conversions, rates, fractions, multiplication and more |
| <b>SCIENCE</b>        | Phases of liquid, microorganisms and killing pathogens                    |
| <b>SOCIAL SCIENCE</b> | Food, culture and tasting of fresh, locally grown fruits and veggies      |
| <b>BUSINESS</b>       | Marketing, guest service, invoicing, hiring, training and consumerism     |
